

Raworth International

Short Courses & Continuing Professional Development 2007 – 2008 Programme

We have over 23 years experience in training professional therapists and we are dedicated to providing you with the very best continuing professional development. We offer:

- Courses to expand and improve your practice, taught by highly experienced therapists and teachers (courses marked * are suitable for non-therapists)
- CPD accreditation points where appropriate
- High quality course notes and teaching material
